3. Photos of the lots, if any, forming part of the auction catalogue and its annexure are strictly for reference purposes only and no inference whatsoever may be drawn with respect to any aspects of the material. Pre-Bid EMD (PEMD)

1. To deposit the Pre-Bid EMD (hereinafter referred to as PEMD) amount as mentioned in the auction catalogue or under lot details, a registered bidder has to log in and go to the 'Pay Pre-Bid EMD' link on his home page.
2. The Bidder's EMD ledger will reflect the deposited PEMD amount only on actual credit of the PEMD amount into MSTC's bank account. Therefore, Bidders are advised to make Pre-Bid EMD payment well in advance of the Auction start date to avoid any last-minute hassles. Seller/MSTC shall not be responsible for any delay in receipt of the Pre-Bid EMD amount.
3. Each bidder has been assigned a specific Virtual Account Number (VAN). The same can be reused by the bidder any number of times. Only the amount needs to be changed by the bidder while making the payment (based on their requirement). It may be noted that the provision of fixed VAN is applicable only in case of Pre-Bid EMD payment. For post-auction payments, the bidder has to use the e-Payment link or as per instructions in the Auction Catalogue.
4. For the successful bidder (highest bidder), the PEMD amount corresponding to the Lot/auction, as defined in the auction terms, will be blocked and retained with MSTC and will be available for adjustment with Post Bid EMD or will be dealt with as per relevant terms mentioned, if any.
5. For an unsuccessful bidder, the PEMD amount will be available in his EMD Ledger for seeking refund. FAQs for Pre-Bid EMD Payment are available on the 'Pay Pre-Bid EMD' link in the Bidder's login.
6. The PEMD amount deposited shall be interest-free and shall carry no interest under any circumstances.

Forfeiture of Pre-Bid EMD:

I. **Auction-Wise Pre-Bid EMD Forfeiture:**

In case of auction-wise Pre-Bid EMD, if the successful bidder defaults in payment of the post-auction EMD amount, the entire Pre-Bid EMD shall be forfeited regardless of the number of successful lots in the auction.

II. **Lot-Wise Pre-Bid EMD Forfeiture:**

If the Pre-Bid EMD is specified on a lot-wise basis, the Pre-Bid EMD shall be forfeited for the specific lot in which the successful bidder defaults in the payment of the post-auction EMD, i.e., only the Pre-Bid EMD corresponding to that specific lot where the successful bidder defaults shall be forfeited.

III. **Forfeiture of Pre-Bid EMD in X-Type Auctions:**

By its inherent nature and concept, in an X-type auction, the Pre-Bid EMD is stipulated auction-wise only. Therefore, in case of any defaults by the successful bidder in depositing post-auction payment, the entire Pre-Bid EMD shall be forfeited.

Post-Auction Payment(s)

1. The successful bidder will have to deposit Post Bid EMD (hereinafter referred to as EMD) at a rate percentage calculated on the basic bid value, as mentioned in the auction catalogue (lot details). Payment of EMD is to be made strictly in accordance with the terms & conditions stated in the auction catalogue with respect to Time-Period and Rate Percentage or as indicated in Sale Intimation Letter (hereinafter referred to as SIL).
2. The EMD will be adjustable towards material value only after receipt of the balance material value of the last instalment (in case of instalment payment) along with applicable Duties & Taxes as per the terms and conditions of e-auctions, failing which the EMD will stand forfeited automatically.
3. Reckoning of Time Period for the purpose of making payment of EMD for accepted lot will start from the date of closing of the auction, excluding the date of the auction, and for an STA lot reckoning will start from the date of acceptance of the lot as registered by the seller in the system. Non-submission of EMD within the stipulated time period will lead to automatic deactivation of the bidder's account. However, the bidder can make payment of full material value along with all duties & taxes within total free time period available. Late submission of EMD under any circumstances will not lead to extension of normal free payment time period.
4. Although, immediately after the closing of the e-Auction, a system-generated automatic Sale Intimation Letter (hereinafter referred to as SIL) will be sent by e-mail to the Successful bidder, it will be the duty of individual bidder to personally check the status of the lot in Lot Status link available in the bidder's login and ensure the timely deposit of EMD. SIL issued by MSTC is for record purpose only. Bidders must, therefore, keep a watch on their e-mails and keep the same valid and active all the time. No hard copy of the SIL (for Confirmed or Subject to Approval (STA) lots) will be issued by MSTC.
5. **Default in Payment of EMD:** In case the successful Bidder defaults in making payment of EMD within stipulated time, his login will be automatically de-activated by the system and will remain so for a minimum period of 3/6 months as per MSTC Policy. After expiry of the applicable deactivation period Bidder gets an opportunity to reactivate his login account by paying penalty amount plus GST imposed as per MSTC policy.

6. A digitally signed Acceptance Letter (AL) will be issued by MSTC on receipt of EMD indicating the schedule of payment and mode & manner of payment of the remaining sale value along with duties and taxes as per terms and conditions of e-auction. The digitally signed AL will be automatically forwarded to the registered emails of buyer as well as seller and no physical copy of AL will be sent. Payment of balance sale value along with duties and taxes must be made within the stipulated time period for issuance of Delivery Order.
7. **Payment of Balance Sale Value for Issuance of Delivery Order:** Digitally signed Delivery Order will be issued by MSTC on receipt of balance sale value along with taxes and duties indicating details like delivery schedule, payment details etc. Payment of balance sale value will be made strictly in accordance with terms and conditions defined in the e-auction with respect to Time-Period, Mode and Manner of Payment or as indicated in Acceptance Letter. The digitally signed DO will be automatically forwarded to the registered emails of buyer as well as seller and no physical copy of DO will be sent.
8. Payment Time Period for making payment of Balance Sale Value along with duties and taxes will be Full Payment Time as defined in auction catalogue less Post Bid EMD Payment Time already given for payment of EMD. Reckoning of Payment Time for the purpose of making payment will start from the date of closing of the auction, excluding the date of the auction, and for an STA lot reckoning will start from the date of acceptance of the lot as registered by the seller in the system. Total Free Time Period will not change under any circumstances.
9. **Default in Balance Payment:** For default in making payment of balance sale value along with taxes and duties beyond free time period, a late payment charge (plus applicable GST) at a fixed rate percentage per week or part thereof for a maximum period of 14 calendar days shall be levied extra as per terms of the auction. Late payment charge shall be calculated on basic bid value. However, this shall not confer any right to the Bidder to make any Late Payment of Balance Sale Value or applicable Duties and Taxes. Seller/MSTC reserves the right to accept or not to accept the payment of the Balance Sale Value with or without the Late Payment charges after the expiry of the stipulated payment time period as mentioned in the auction terms. If the last date of payment happens to be a Bank Holiday or MSTC Holiday, the payment will be accepted on the next working day without late payment charge. Non-submission of balance sale value and applicable Duties and Taxes will lead to forfeiture of EMD.

Delivery Details

1. **Delivery Order:** On receipt of the payment towards balance sale value along with taxes and duties, delivery order will be issued indicating the delivery period as defined in auction catalogue. The count of delivery period will start from the date of issue of Delivery Order by MSTC including date of issue of Delivery Order or Sale Release Order issued by Principal. If the last date of delivery happens to be a closed holiday for the seller, the delivery will be allowed on the next day without ground rent.
2. **Delivery of Material:** For the purpose of taking delivery from the Seller's Location/Depot/Plant, the authorized Photo ID Card Holder should report to the Seller along with his original Photo ID Card or the said Photo ID Card Holder may depute any other Representative along with Authority Letter on the Buyer's letterhead after duly attesting the signature of his Representative along with a Self-Certified copy of his Photo ID Card. The successful Bidder/Buyer must take prior permission from the Seller, before placement of vehicle for taking delivery of material.

3. **Default in Delivery:** In case of delayed lifting beyond the stipulated free delivery period, the buyer shall be liable to pay ground rent along with applicable GST in advance, directly to the seller before taking delivery of the material. For Defence seller units, which include all three Services of Armed Forces, Defence PSUs (erstwhile OFBs), Coast Guard, E-in-C Branch and BRO, ground rent along with GST, shall be levied at a rate as specified in the auction terms, calculated on per day basis for a maximum period of 30 (thirty) days from the expiry of the free delivery period. For other sellers, ground rent along with GST shall be charged at the rate specified in the auction terms, calculated on per week or part thereof basis, for a maximum period of 14 (fourteen) calendar days. In both the cases, if the goods are sold on lot basis, ground rent shall be payable on the entire lot value even if partially lifted; and if sold on unit weight/number basis or any other unit basis, ground rent shall be payable on the value of the un-lifted quantity. In case of further delay in taking delivery of the material beyond the above applicable period (14 days or 30 days, as the case may be), the seller shall have the discretion to extend the delivery period with or without ground rent, provided the buyer submits a prior written request citing valid reasons; the acceptance or rejection of such request shall be at the sole discretion of the seller.
4. For the items sold with a Unit of Measurement Lot, if the actual quantity turns out to be more or less than indicative quantity, the buyer shall have to lift the entire lot. In the event of actual quantity turning out to be less than the mentioned indicative quantity, the buyer shall not be entitled to any damages, loss of interest or compensation on this count.
5. For the items sold with a Unit of Measurement such as MT, KG, Numbers, Metre, etc., if the actual quantity turns out to be more or less than mentioned quantity within the range of +/- 20% of mentioned quantity, the buyer shall have to lift the actual quantity. For excess quantity, the buyer has to deposit the remaining amount along with duties and taxes as applicable. For less quantity, the buyer will be refunded the proportionate amount.
