

TARIFF

TUTICORIN INTERNATIONAL CONTAINER TERMINAL PRIVATE LIMITED
Scale of Rates (EXIM)
Effective from 01-May-2025

1. Definitions

- i. **"TICT"** means Tuticorin International Container Terminal Private Limited.
- ii. **"Coastal vessel"** shall mean any vessel exclusively employed in trading between any port or place in India to any other port or place in India having a valid coastal license issued by the competent authority.
- iii. **"Foreign-going vessel"** shall mean any vessel other than coastal vessel.
- iv. **"FCL"** means containers said to contain Full Container Load.
- v. **"LCL"** means containers said to contain Less than Full Container Load (Container having cargo of more than one importer/ exporter).
- vi. **"Hazardous container"** means a container containing hazardous goods as classified under IMO.
- vii. **"Import container"** means a container discharged from one vessel, stored in container yard and transported out through Road or Rail .
- viii. **"Export container"** means a container arrived by Road or Rail, stored in container yard and loaded on the assigned vessel.
- ix. **"Port area"** means the custom bound area / Port operational area of the Port.
- x. **"Normal container"** shall mean general type containers, not falling under special categories mentioned subsequently.
- xi. **"Reefer container"** shall mean a refrigerated container used for carriage of perishable goods with provision for electrical supply to maintain the desired temperature.
- xii. **"Hazardous container"** shall mean a container containing hazardous goods as classified under IMO.
- xiii. **"Transshipment container"** shall mean a container, which is discharged from one vessel, stored in the yard and transported through other vessel.
- xiv. **"Over dimensional container – spreader use"** shall mean a container carrying over dimensional cargo beyond the normal size of standard container however needing only container spreader for handling.
- xv. **"Over dimensional container – Special device/Sling use"** shall mean a container carrying over dimensional cargo beyond the normal size of standard container and needing special devices like slings, shackles, lifting beam etc. They also include damaged containers and other types which require special devices.

- xvi. **“Shut out container”** shall mean a container which enters into the port as an export intake for a particular vessel (as indicated by the Vessel Identification Advice Number, i.e. VIA No.) and is not connected to the particular vessel for reasons whatsoever, then the container is termed to be a shutout container.
- xvii. **“Back to Town Container”** shall mean a container entering the port for export but unable to be exported for whatever reason and taken back to town.
- xviii. **“VIAN”** means Vessel Identification Advise Number.
- xix. **“Per day”** means per calendar day or part thereof.
- xx. **“Conversion rate”** means conversion of US \$ denominated tariff to Indian Rupees (INR).

2. General

- i. Containers less than and up to 20' will be reckoned as one TEU for the purpose of tariff.
- ii. Containers other than that of standard size requiring special devices/slides/handling will be charged as per 3 (D) (ii) below. Such containers will also include damaged containers and any other type requiring special devices.
- iii. Additional 'Charge for reefer container' as per 3 (G) below as applicable will be charged for reefer containers.
- iv. All invoices are issued as due on presentation. Failure to pay may cause a lien to be placed on the goods handled at the Terminal and the responsible party may be denied further use of the Terminal until all outstanding charges have been paid.
- v. This tariff is independent of the other tariff notifications issued by the port/terminals towards Inter Terminal Handling Rail Operations (ITRHO) and DMIDC charges.
- vi. Container related charges denominated in US dollar terms shall be collected in equivalent Indian rupees. For this purpose, the market buying rate notified by the Reserve Bank of India, State Bank of India or its subsidiary or any other Public Sector Bank as may be specified from time to time prevalent on the date of entry of the vessel into the port limits (in case of import containers) and on the date of arrival of containers in the Terminal premises (in case of export containers) shall be applied for reconversion of the dollar denominated charges into Indian rupees.
